Thank you for joining the NYSCA Capital Projects Webinar. The session will begin momentarily. You may wish to reference the Capital Guidelines during this webinar. The link to the guidelines is available in the Zoom chat now.
FY2022 Capital Projects Webinar
November 10, 2021
Hosted by David Huff, Mara Manus, and Katie Steger
Important Reminders:

Key Dates

• Guidelines posted: November 1, 2021
• Application portal opens: November 22, 2021
• Application portal closes: January 14, 2022, at 4PM

The FY2022 guidelines and application manual can be found on the FY2022 Opportunities Page on the NYSCA website: https://arts.ny.gov/FY2022FundingOpportunities
Prequalification

• To be eligible for FY2022 funding from NYSCA, you must be Prequalified in the Grants Gateway by January 14, 2021 – the application deadline.

• For more information, please visit our FAQ for Applicants and or section 8 of the Application Manual.

• Start this process as soon as possible.
Eligibility

• The applicant must be Prequalified to do business with New York State in the Grants Gateway online portal by the application deadline.

• The applicant must be a non-profit arts organization, incorporated or registered to do business in New York State. Arts organizations with their own facilities that are embedded in larger organizations (e.g. private or public universities) located in New York State may contact NYSCA to determine whether they are eligible to apply.
Eligibility

• Requests for Capital Project support must prove site control:
  • Ownership of the facility
  • Either a) a lease agreement with a state or municipal entity with guaranteed rights of renewal, or b) a commercial lease agreement with at least 10 years remaining. (A renewal option contained in the current lease will be considered, provided such renewal does not require landlord approval).

• Organizations must own their facility to apply for any exterior rehabilitation projects, such as roof replacement and façade restoration.
Eligibility

• Organizations who have not received prior NYSCA support are eligible to apply for the Capital Projects Fund.

• We are prioritizing organizations who have not received a single large capital grant (more than $50,000) from NYSCA in FY2018-FY2020.
Project Financing

As the majority of funding is awarded on a reimbursement basis, the applicant must demonstrate the capacity to manage financing for the project through completion.

This includes:

• Fundraising
• Financing
• Cash management
Awards

Total Funding Available: Up to $20 million

Grant Sizes:
- $10,000 (flat amount, can fund up to 100% of project cost, organizations <$1,000,000)
- $49,500 - $1,000,000 (max 50% of total project cost, all organization sizes)

Award Announcement: No later than April 2022

Grant Term: July 1, 2022 – June 30, 2025 (3 years, 2 year extension will be considered.)
Awards

• Applicants do not have to demonstrate a secured match.

• Organizations applying for grants of $49,500 - $1 million may only finance a maximum of 50% of the overall project with state funds.

• There is no maximum financing requirement for $10,000 grants.
What kinds of projects are eligible?

There are two funding categories:

1. Capital Equipment
2. Capital Construction

Applications may request funds in one or both categories

Funding can support:

• New construction, renovations and/or expansions of publicly accessible arts space(s)
• Modifications to improve sustainability and energy efficiency
• Renovations to improve accessibility or make physical health and safety upgrades
• Technology and/or equipment systems that would improve public access & experience
Payment schedule for awarded grants

• Majority of the payment is on a reimbursement basis
• Applicants must present a detailed financing/fundraising/cash management plan
• First 25% paid after contract is executed (grant period being July 1, 2022)
• Next 35% paid after interim report demonstrating 60% total project completion
• Final 40% paid after final report demonstrating 95% total project completion
Defining the scope of your “Total Project”

“Phasing” for larger capital projects:

• Project must buy, build or improve an asset

• You must be able to complete within the grant term.

• Remember: 95% of the Total Project must be complete before the final payment will be approved.
Completing your Application

• You will be asked to select the categories for amount size and which funding type

• Your application will include narrative responses, attachments, and budgets

• All application details - including narrative questions and downloadable budget forms - are available to you now beginning on page 9 of the Guidelines

• The Application Checklist to the left appears on page 8 of the Capital Project Guidelines
Completing the budget

• All applicants must provide an Itemized Project Budget (forms provided in the guidelines on page 14) detailing anticipated grant expenditures, use and source of financing for the remainder of the project, and breakdown of soft versus hard costs.

• Short-form v. Long-form – which one do you need to fill out?
  • Please view the “Application at-a-glance” to determine whether you should complete the short-form or full budget).
Long-form Budget – Instructions Tab

1. Itemized Budget Form in PDF Format
   - Please note that this form is designed to serve as a budget for the application as well as for the contracting process for awarded grants.
   - It is also intended to serve as a template for grantees to report on the progress of their grants and request payments at their projects progress.
   - As such, you will be required to complete a portion of the fields in the form for the purposes of submitting this budget with your application.
   - **FOR YOUR APPLICATION - PLEASE ONLY FILL IN ORGANIZATION NAME AND PROJECT TITLE, AND ONLY USE CELLS F23 and F26 ON BUDGET SUMMARY TAB, AND COLUMNS A-F ON ITEMIZED BUDGET TAB (COLUMNS G-O SHOULD REMAIN BLANK).**
   - Applicants that are awarded grants should retain copies of their completed budget forms which will be asked to update with additional instructions that will be provided after the award is announced for the purpose of contract execution. Instructions for completing the fields required for the application are as follows:
     a. Complete the required fields in both second and third tabs in this workbook
       - **Start on Itemized Budget Tab**
         - Complete the fields for “Applicant/Grantee Name” and “Project Title” in the top left corner. Leave the other fields blank.
         - Fill in Columns C, D, E, and F with the funding source for the expense, the status of that funding, the Itemized total project cost, and the proposed grant allocation, respectively.
         - For the purposes of the application, leave columns G-M blank. These will be used for contracting and reporting in the event an award is made.
         - The grey columns are locked for editing, and will automatically calculate as needed.
       - **Then move to Budget Summary Tab**
         - Complete the fields for “APPLICANT/GRANTEE CONTRACTOR SFS PAYEE NAME,” “PROJECT NAME” and “CONTRACT PERIOD” in the top section. Leave “PAYMENT REQUEST NO” blank.
         - In the lower section, fill in the two cells for Total Project Cost (F23), Program Grant Sum (F24) ONLY.
         - Cells F23 and F26 on Budget Summary Tab should match the total project cost and NYS request amounts entered in the application portal.
         - Cell F23 on Budget Summary Tab should match Cell E45 on Itemized Budget Tab. If these do not match, please review the document for errors and revise as needed.
         - Cell F26 on Budget Summary Tab should match Cell F45 on Itemized Budget Tab. If these do not match, please review the document for errors and revise as needed.
         - You do not need to sign or notarize the form for the purposes of the application.
       - Convert both sheets into a single PDF before uploading to the Application portal.

Instructions - Read First Itemized Budget Budget Summary
Panel Evaluation

- Panel of experts, including architects, engineers, technical professionals, and arts administrators with experience leading capital projects

- Panelists will strongly consider design elements, value to community, and overall project feasibility (including capacity to finance, fundraise, and maintain the facility after completion).
Scored Criteria

Three criteria:
- Design & Technical Review
- Managerial & Fiscal
- Community Relevance/Access

A copy of the table to the left is available for reference on page 17 of the Capital Guidelines.
• Each criterion (Design & Technical Review, Managerial & Fiscal, Community Relevance/Access) will be given a rating from 5-0.

• The application will receive an overall score which averages all three criteria. However, any application that receives an average score of 2 and below in any criterion will not be eligible for support.

• A copy of the table to the left is available on page 18 of the Capital Guidelines.
Priorities for Funding

You can find all priorities listed on page two of the guidelines.

- Projects that improve, expand, or rehabilitate existing buildings to provide access for all
- Projects that address known health and safety deficiencies
- Projects that address issues of building stabilization
- Projects from organizations that further cultural development in rural or underserved communities
- Projects that reduce an organization's operating costs
- Projects that demonstrate environmental stewardship and/or sustainable building practices
- Organizations that have not received recent significant NYSCA or NYSCA-REDC capital funding (FY2018–FY2020)
- Projects that improve buildings that currently house NYSCA-funded programs
Contact Information

• Applicants who still have questions should contact NYSCA Capital Fund staff at capitalprojects@arts.ny.gov.

• Plan to contact staff by January 4, 2022, to schedule time to discuss their proposals. Beyond this date, we cannot guarantee that staff will be able to respond to inquiries before the application deadline. All inquiries should reference the applicant organization’s name in the subject.

• For technical questions on submitting online applications or Prequalification, contact help@arts.ny.gov.

• A reminder all applicants must Prequalify in the Grants Gateway by the application deadline. This is a separate portal from SmartSimple.
Before we move to our Q+A portion here are a few important reminders:

• Start the Prequalification process immediately.

• If you think your organization is already Prequalified, please verify for your Prequalification status.

• Application portal opens: November 22, 2021

• Application portal closes: January 14, 2022, at 4PM

• We may not be able to answer all questions today, however, you are always welcome to reach the NYSCA Capital team here: capitalprojects@arts.ny.gov.
