NYSCA SUPPORT FOR ORGANIZATIONS

INTRODUCTION

The New York State Council on the Arts (NYSCA) offers a streamlined and flexible funding opportunity for applicants. Now you may request support where you most need it.

**NYSCA Support for Organizations** is limited to one request per organization and may be awarded as a multi-year grant.

Although organizations may submit only one application for their own entity to **NYSCA Support for Organizations**, they may also serve as fiscal sponsors for other unincorporated organizations. Additionally, universities or other organizations that apply on behalf of a department or embedded program must also apply as fiscal sponsors.

Applications will be evaluated according to the following three criteria: **Creativity, Public Service, and Managerial & Financial**.

**Funding Amounts:** Awards will be made between $10,000- $49,500

For questions, please contact Program Staff in the funding area most aligned with your organization’s work. View contact information here: [https://arts.ny.gov/contact](https://arts.ny.gov/contact).

NYSCA MISSION AND VALUES

**Mission**
The New York State Council on the Arts (NYSCA) is dedicated to preserving and expanding the rich and diverse cultural resources that are and will become the heritage of New York’s citizens.

**Values**
At NYSCA, our efforts are guided by our belief in the fundamental importance of arts and cultural expression in people’s lives and a commitment to serving our three constituencies: artists, arts and cultural organizations, and the public.

We believe that:

- Artists are at the center of creative endeavor.
- Strong arts and cultural organizations are vital to connecting the arts to people’s lives.
- Every citizen of New York State can have a meaningful connection to creativity and every community has a right to cultural self-determination.

**Priorities**
NYSCA embraces the widest spectrum of cultural expression and artistic pluralism and encourages funded organizations to demonstrate a holistic and comprehensive commitment to DEIA (diversity, equity, inclusion, and access). To that end, organizations must share in the application whether they are within, and serve, historically underrepresented communities. NYSCA interprets underrepresented communities as including, but not limited to, African American/Caribbean, Latino/Hispanic, Asian/Pacific Islander, Middle Eastern, Native American/Indigenous communities; people in
geographically remote areas; disabled communities; LGBTQIA communities; neurodiverse communities; vulnerable aging populations; veterans; low income and homeless populations; as well as justice-involved juveniles and adults.

**INELIGIBLE ACTIVITIES AND COSTS**

New York State law and NYSCA policy restricts the types of activities and expenditures that NYSCA may fund. NYSCA is unable to award funding for the following:

- Costs that are funded by another government or private grant or loan source, including but not limited to the Payroll Protection Plan (PPP) loans and Shuttered Venue Operators Grant (SVOG) programs from the Federal Small Business Administration (SBA).
- Accumulated deficits and debt reductions.
- Activities not open to the public, for example, activities restricted to an organization's membership. Funded activities must be open to the public and promoted as such. By appointment only does not fulfill this requirement.
- Competitions and contests.
- Components of an organization's budget that are not directed towards programs in New York State.
- Entertainment costs for receptions, openings, and fundraising benefits/events.
- Major expenditures for the establishment of a new organization.
- Costs of lobbying activity.
- Operating expenses and fellowships at professional training schools that are not open to the general public.
- Administrative overhead or fees charged by an affiliated institution or university.
- Operating expenses of privately-owned facilities (such as homes and studios).
- Out-of-state travel expenses.
- Programs of public-school districts or their components or affiliates.
- Programs that are essentially recreational, rehabilitative, or therapeutic.
- Programs of New York State agencies or departments.
- Programs of public colleges and universities except under limited circumstances. Entities with close public college or university affiliations will be examined on a case-by-case basis to determine eligibility. Such applicants are strongly advised to contact NYSCA program staff in advance of the application deadline to determine eligibility: https://arts.ny.gov/contact

*The FY2023 NYSCA Application Portal for this opportunity will open online on 5/24/22 (Technical Instructions on submitting an online application through the FY2023 NYSCA Application Portal will also be released by 5/24/22)*
Note: In FY2023 NYSCA will offer other direct requests and regrant funding opportunities for artists including commissions, fellowships, and independent projects. If you are an artist seeking a creative grant opportunity, please see our NYSCA Support for Artists Guidelines.

HOW WILL MY APPLICATION BE ASSESSED?

Your narrative is an opportunity to tell the story of your organization and its work related to arts and culture. The strongest applications will show us your strengths. What do we mean? Do not tell us you are the “best” or the “first.” Provide details so we learn about your creative strengths. Contextualize any data you provide, so we can best understand how your organization serves the community. Demonstrate how the work you do connects to and amplifies NYSCA’s mission and values.

CRITERIA AND SCORING RUBRIC

The following rubric explains three overarching criteria that will be considered in evaluating your application. Each panelist will rate each criterion individually, using a scale of 5-0. The application will receive an overall score which averages all three criteria. Any application scoring 2 or below in any criterion will be ineligible for support.
