About the New York State Council on the Arts (NYSCA)

Mission

The New York State Council on the Arts is dedicated to preserving and expanding the rich and diverse cultural resources that are and will become the heritage of New York's citizens. The Council believes in supporting the following:

- Artistic excellence and the creative freedom of artists without censure, and
- The rights of all New Yorkers to access and experience the power of the arts and culture, and the vital contribution the arts make to the quality of life in New York communities.

NYSCA strives to achieve its mission through its core grant-making activity and by convening field leaders, providing information and advisory support, and working with partners on special initiatives to achieve mutual goals. Further, NYSCA's vision for cultural development in the State is reflected in the following goals:

- Sustaining a vital ecosystem of individual artists and cultural organizations that supports the creation, presentation, critical review, and distribution of the arts and culture;
- Celebrating our rich range of artistic and cultural resources inclusive of diverse cultures and aesthetics;
- Encouraging artistic and discipline field advancement;
- Broadening public access, appreciation, participation, and education in the arts and culture throughout the State; and
- Providing recognition and professional advancement for artists and arts administrators.

Values

At NYSCA, our efforts are guided by our belief in the fundamental importance of arts and cultural expression in people's lives and a commitment to serving our three constituencies: artists, arts and cultural organizations, and the public. We believe that:

Artists are at the center of creative endeavor. Therefore, we are committed to providing artists with opportunities for artistic development and the public presentation of their work. Toward this end, the Council encourages arts and cultural organizations to work with artists to support the creation, presentation, and dissemination of their work, and serves as an advocate on artists' issues.

Strong arts and cultural organizations are vital to connecting the arts to people's lives. We are committed to assisting a wide range of arts and cultural organizations – small and large, new and established – to achieve their artistic, programmatic, educational, community, and organizational goals. As the arts field evolves and changes, NYSCA seeks to support organizational development and ongoing professional development, continuity of leadership, and improvement of professional conditions for leaders within cultural organizations.

Every citizen of New York State can have a meaningful connection to creativity and every community has a right to cultural self-determination. The Council is also committed to make the arts accessible to all the citizens of New York State. We aim to support worthy artistic and cultural activities that serve traditionally underserved communities or populations. These are the racially or culturally diverse, economically disadvantaged, people with disabilities, rural populations, and those who may experience discrimination on the basis of age, gender, or sexual orientation. We are committed to fostering public understanding and enjoyment of arts and culture through support of arts education, public participation, and lifelong learning programs in schools and community settings for children and adults.

NYSCA Grants

NYSCA accepts grant proposals for the advancement of the arts each year. For FY2019, NYSCA will provide for grants in 15 discipline-based funding areas.

- Architecture & Design: This program prioritizes the fields of architecture, landscape architecture, historic preservation, fashion, graphic, industrial and interior design.
- Arts Education: This program is committed to nurturing the creativity of all New York's citizens, especially the learners and leaders of tomorrow.
- <u>Dance:</u> This program supports quality programming and efforts to build audiences for the art form throughout the State.
- <u>Electronic Media & Film:</u> This program advances artistic exploration and public engagement in the media arts.
- <u>Facilities</u>: This program supports Arts and cultural organizations that own or lease buildings and face myriad challenges in managing those structures.
- <u>Folk Arts</u>: This program supports traditional cultural expressions through which a group maintains and passes on its shared way of life.
- <u>Individual Artists:</u> This program offers support for the creation of new work by New York State artists through artist initiated projects in electronic media (video, sound art, installations, and new technologies) and film production, and the commissioning of new work by composers, choreographers and theatre artists.
- <u>Literature</u>: This program offers support to a wide range of organizations that promote the creation, publication, and dissemination of contemporary literary writing and encourage its appreciation by the general public.
- <u>Museums</u>: This program advances museums and related professional service organizations by offering support for arts, cultural and heritage activities by underscoring the importance of clear planning to foster stronger institutions, and encourages partnerships and collaboration to broaden an organization's perspective and assist in better serving the public.
- <u>Music:</u> This program fosters the creation, production, and performance of musical events of outstanding professional quality by offering support for public performances by established and emerging professional music organizations representing a broad spectrum of musical expression.
- <u>Presenting:</u> This program develops, nurtures, and strengthens presenters of live professional performing arts inclusive of works that explore multiple disciplines and arts forms, boundaries between art disciplines, and new forms of expression.
- <u>Special Arts Services:</u> This program provides organizational and project support for professional arts activities that serve distinct cultural communities.

- <u>State and Local Partnerships</u>: This program fosters the growth and development of arts and culture at the local level in all of the State's communities and regions.
- <u>Theatre:</u> This program offers support to professional theatre companies with ongoing production and development programs, and service organizations.
- <u>Visual Arts</u>: This program offers support to a wide range of contemporary art activity for the benefit of the public and the advancement of the field.

Within each of the 15 discipline-based funding categories NYSCA provides the ability to request funds in a range of varying subcategories, including but not limited to General Operating Support, Project Support and Regrants and Partnerships.

Eligibility

The New York State Council on the Arts awards grants contracts to nonprofit organizations either incorporated in or registered to do business in New York State, Indian tribes in New York State, and units of government in municipalities in New York State. An organization must have its principal place of business located in New York serving the State's constituents.

Individuals and unincorporated groups may not apply, but an eligible nonprofit organization, known as a fiscal sponsor, may apply on behalf of an individual or unincorporated group. The fiscal sponsor must be a non-profit organization incorporated or registered to do business in NY State, as stated above, and must be fully prequalified in the Grants Gateway in order to serve as a sponsor for a funded arts group.

A fiscal sponsor is a New York State nonprofit organization that applies to NYSCA on behalf of individual artists or unincorporated arts organizations or groups. The fiscal sponsor accepts responsibility to serve as a fiscal conduit for a NYSCA-funded project, receiving and disbursing funds related to the grant, and administering the requirements throughout the NYSCA grant process, including final reporting of grant activity. The unincorporated artist or group completes the project activity.

Eligibility Requirements

Applicants must meet all of the following eligibility requirements by the application deadline established on page 2. Organizations must be compliant with the eligibility requirements identified below at the application due date as identified on page 2 of this document.

1. Prequalification

Nonprofits must be registered with Grants Gateway and Prequalified at the time and date that the application is due. Applicants are strongly encouraged to review their document vaults prior to the application deadline to ensure that their documents are up to date. Additional information on registering with Grants Gateway and the Prequalification process can be found in the Prequalification section of this document. (Units of local government and Indian Tribes are exempt from the prequalification requirement.)

2. Final Reports

For all current grantees, the timely submission and staff approval of all mandated Final Reports is required before an application can be made to the Council. Please log onto the NYSCA website and visit the Organization Home page on the online grant application system to review the report(s) that are due, overdue or incomplete. All Final Reports must be submitted and approved prior to the application

due date noted on page 2 of this document.

3. Activity Period

The activity for the request must fall within the January 1, 2019 to December 31, 2019 period. Work outside this period is not eligible for this request, with the exception of the Capital Projects Category in the Facilities Program, for which two-year contracts can be requested. In this case only, activity for the request must fall within the January 1, 2019 and December 31, 2020 period. Both an interim report (after the first year) and final report will be required, and 20% of the funds will be held until after the submission of the interim report.

Prequalification

Pursuant to the New York State Division of Budget Bulletin H-1032, dated June 7, 2013, New York State has instituted key reform initiatives to the grant contract process which require nonprofits to register in the Grants Gateway and complete the Vendor Prequalification process in order for applications to be pre-evaluated before their applications for funding are considered. Information on these initiatives can be found on the Grants Reform Website.

All Applicants must be Prequalified in the Grants Gateway at the time and date that the application is due. Applications received from nonprofit Applicants that have not registered and are not Prequalified in the Grants Gateway by the application due date and time listed at the beginning of this document cannot be evaluated. If you are not Prequalified at that time and date, your application will not be considered. Such applications will be disqualified from further consideration.

Grants Gateway Document Vaults must be submitted no later than March 21st in order to prequalify organizations by the March 28th deadline. If you wait until March 21st, NYSCA cannot guarantee any issues that arise during staff review, including missing or incorrect documents will be resolved by the application deadline. Consequently, NYSCA urges you to submit immediately.

Below is a summary of the steps that must be completed to meet registration and Prequalification requirements. The Vendor Prequalification Manual on the Grants Reform Website details the requirements and an online tutorial is available to further explain the process.

PLEASE NOTE: The information included here regarding Prequalification is not intended to be exhaustive, and Applicants should visit the Grants Reform website (http://www.grantsreform.ny.gov/Grantees) or contact the Grants Reform Team (grantsreform@its.ny.gov) for more information about Grants Gateway and Prequalification. The Grants Reform help desk/hotline can be reached at (518) 474-5595.

1. Register for the Grants Gateway

- On the Grants Reform Website, download a copy of the <u>Registration Form for Administrator</u>. A signed, notarized original form must be sent to the NYS Grants Reform Team at the address provided in the instructions. You will be provided with a Username and Password allowing you to access the Grants Gateway.
- If you have previously registered and do not know your Username please email grantsreform@its.ny.gov. If you do not know your Password please click the Forgot Password link from the main log in page and follow the prompts.

2. Complete your Prequalification Application

- Log in to the Grants Gateway. **If this is your first time logging in**, you will be prompted to change your password at the bottom of your Profile page. Enter a new password and click SAVE.
- Click the *Organization(s)* link at the top of the page and complete the required fields including selecting the State agency you have the most grants with. This page should be completed in its entirety before you SAVE. A *Document Vault* link will become available near the top of the page. Click this link to access the main Document Vault page.
- Answer the questions in the Required Forms and upload Required Documents. This constitutes
 your Prequalification application. Optional Documents are not required unless specified in this
 document.
- Specific questions about the Prequalification process should be referred to your agency representative or to the Grants Reform Team at grantsreform@its.ny.gov. The Grants Reform help desk/hotline can be reached at (518) 474-5595.

3. Submit Your Prequalification Application

- After completing your Prequalification application, click the Submit Document Vault link located below the Required Documents Section to submit your Prequalification application for State agency review. Once submitted the status of the Document Vault will change to In Review.
- If your Prequalification reviewer has questions or requests changes you will receive email notification from the Gateway system.
- Once your Prequalification application has been approved, you will receive a Gateway notification that you are now Prequalified to do business with New York State.

Once you are Prequalified, please check the status of your document vault on a regular basis to ensure that all of your information is up to date. For those organizations that submitted prequalification applications more than 3 years ago, you will be asked to refresh all of the information in your vault that has changed since the time you first applied, including Board lists, senior leadership resumes, organizational information, integrity information, as well as all of the annual financial filings. Please make sure that none of your documents expire prior to the application due date. **Expired documents will lead to the loss of Prequalification status.**

If you are not yet registered with Grants Gateway, there are many resources available to help you understand how to register and become Prequalified:

- The NYS Grants Reform Website
- Video: Grants Gateway Registration
- New York State Prequalification System for Grants Contract Vendors: A Resource Manual and Users Guide for Not-for-Profit Vendors
- Biweekly Document Vault webinars. All information can be found on the Grants Reform website Training Calendar.

The Grants Reform Team offers regular live webinars for anyone who is interested in additional information about Grants Gateway, the Prequalification process, or submitting online applications. Learn more including times and dates for these webinars: http://grantsreform.ny.gov/training-calendar. Any additional technical training related to this application will also be posted to the training calendar.

Grant Amounts

The Council's overall funding is determined annually during the State's budgeting process and approved by the NYS Legislature. There is no assurance that the Council's funding awards will remain the same over an annual or multi-year term.

Previous grant funding from the Council does not guarantee support in any succeeding year, and past grant funding amounts are not indicative of future funding levels.

The Council does <u>not</u> make grants in amounts less than \$2,500, nor does it make grants that would constitute the sole source of financial support for an organization.

The Council <u>rarely funds</u> more than 50% of a project's entire budget, and in the case of requests for general support, the Council rarely funds more than 25% of an organization's budget.

Single-year and Multi-year Grants

Some Council grants are awarded on a single-year basis, and some grants are awarded on a multi-year basis and are renewable for up to five years.

Organizations with a continuing multi-year grant or grants must register each of those grants in the NYSCA system for each year they are in effect. Failure to register a continuing multi-year grant will result in cancellation of the grant.

Multi-year support is awarded when the panel, staff, and Council agree that a similar level of service or activity will be sustained by the applicant organization over successive years. Multi-year grants represent the Council's agreement to offer successive years of support without requiring a full application and review of the grantee in the succeeding years. Annually, multi-year grantees are required to: update the Organizational Information Profile, register for continued multi-year support, notify Council staff of their programming, activities and any major institutional changes, and file annual final reports.

Funding Restrictions

Limitations of the Number of Applications

For FY2019, organizations are limited to two grant requests each. Each ongoing multi-year grant counts as one of these requests. Please note that the following categories are exempt from the two request limit (in other words, requests in these categories do not count towards an organization's limit of two requests).

- Architecture and Design Program Independent Projects category
- Dance Program Rehearsal Space and Residencies category
- Electronic Media & Film Program Workspace, Art & Technology category
- Facilities Program All categories
- Folk Arts Program Apprenticeships category
- Folk Arts Program Regional and County Folk Arts Programs category
- Individual Artists Program All categories
- Literature Program Translation category

- State and Local Partnership Program Decentralization category
- All Programs Regrants and Partnerships category

Ineligible Activities

New York State law and Council policy restrict the types of activities and expenditures that the Council may fund. The Council is unable to award funding for the following:

- Accumulated deficits and debt reductions
- Activities not open to the public, for example, activities restricted to an organization's membership. Funded activities must be open to the public and promoted as such
- Competitions and contests
- Components of an organization's budget that are not directed towards programs in New York State
- Entertainment costs for receptions, openings, and fundraising benefits/events
- Major expenditures for the establishment of a new organization
- Operating expenses and fellowships at professional training schools that are not open to the general public
- Operating expenses of privately owned facilities (such as homes and studios)
- Out-of-State travel expenses
- Programs of public school districts or their components or affiliates
- Programs that are essentially recreational, rehabilitative, or therapeutic
- Programs of New York State agencies or departments
- Requests for amounts that are greater than an organization's total operating expenses minus its total operating income
- Programs of public colleges and universities except under limited circumstances. Entities with close
 public college or university affiliations will be examined on a case-by-case basis to determine eligibility.
 Such applicants are strongly advised to contact Council program staff listed on page 2 of this
 document in advance of the registration deadline to determine eligibility.

Application Timeline

1. Open Period

For FY2019, the grant opportunity timeline will commence with an open period during which NYSCA staff members will be available to answer questions that arise during the development of a funding proposal. NYSCA encourages all applicants to consult with Program staff regarding the types of programs that can be funded as well as to secure input on how best to complete their application well before the application period opens.

Contact information for this program is included on page 2.

2. Application Period

The application period opens on February 21, 2018. To establish a complete application, each applicant must register their request in the NYSCA system **and** submit a Grants Gateway application for each program they are applying to. To ensure the fairness of the FY2019 NYSCA application process for all NYSCA applicants and in compliance with New York State procurement guidelines, Program Staff will not be able to discuss or review application contents or answer substantive

questions about proposed projects or program guidelines once the active application opens.

However, NYSCA and Grants Gateway staff are always available to answer any technical questions about how to utilize the NYSCA or Grants Gateway systems. Please do not hesitate to contact NYSCA's offices with questions. Phone: 212-459-8800. NYSCA has a Help Desk designed to assist applicants with the technical aspects of the online application process.

Grants Gateway staff is also available to answer technical questions about the Grants Gateway system. They can be contacted at grantsreform@its.ny.gov; or (518) 474-5595.

Please note that as the application deadline approaches, staff receive a high volume of calls and emails and response times may slow. We strongly urge all applicants to begin the prequalification and application process as soon as possible.

3. Applications Due

Applications are due at the date and time established on page 2 of this document. When submitting your application in the Grants Gateway please be aware that only a Grantee Contract Signatory or a Grantee System Administrator can submit an application on behalf of your organization. Other roles may be able to initiate an application but the actual submission must be completed by the roles previously mentioned. If you are signed in to the Grants Gateway with any other role you will not be able to submit your application. Applications submitted after the deadline will not be eligible for funding.

Overview of the Application Process

The following sections provide an overview of the steps needed to complete an application by various types of applicants. Organizations applying on their own behalf will follow the steps outlined in the Standard Instructions section below. Organizations applying as a fiscal sponsor for another organization will follow the steps outlined in the Fiscal Sponsor Instructions.

All successfully submitted applications will be reviewed and evaluated by NYSCA staff, advisory panels and Council. Funding notifications will be issued in Fall 2018. All new FY2019 contracts will be issued on or around January 1, 2019 and will have a January - December 2019 contract term, with the exception of the Capital Projects Category in the Facilities Program, for which two-year contracts can be requested. In this case only, activity for the request must fall within the January 1, 2019 and December 31, 2019 period. Both an interim report (after the first year) and final report will be required, and 20% of the funds will be held until after the submission of the interim report.

This is the period in which the funded activity must occur. Please plan accordingly.

Standard Instructions

Step 1: Register each new request on the NYSCA website

Applicants for new support must register all requests on the <u>NYSCA website</u>. The NYSCA portal will open on February 21, 2018 and close at the application due date established on page 2 of this document. To successfully register a request, organizations must, in this order:

- 1. Complete the Organization Information
- 2. Complete the Organization Budget
- 3. Complete the Registration Form

After completing these three sections, the NYSCA website will generate a unique 'Project ID' for each successfully registered request. Applicants are required to include this 'Project ID' as part of each Grants Gateway application.

Instructions for the NYSCA website can be found on page 15 of this document.

Step 2: Complete NYSCA's application in the Grants Gateway

All applicants for new support must also complete an application on the <u>Grants Gateway</u> for each request. NYSCA's Grants Gateway application will open February 21, 2018 and close on the application due date established on page 2 of this document. In the Grants Gateway, applicants must:

- 1. Complete the Project / Site Address
- 2. Answer all Program Specific Questions
- 3. Complete an Expenditure Budget
- 4. Complete a Work Plan
- 5. Upload Support Materials

Fiscal Sponsor Instructions

What is a Fiscal Sponsor? A Fiscal Sponsor is a New York State nonprofit organization that applies to NYSCA on behalf of individual artists or unincorporated arts organizations or groups. The fiscal sponsor accepts responsibility to serve as a fiscal conduit for a NYSCA-funded project, receiving and disbursing funds related to the grant, assuring that the project is carried out as described and submitting the final report of grant activity.

Completing a sponsored application for new NYSCA support is a five step process:

Step 1: The Fiscal Sponsor registers each sponsored request on the <u>NYSCA website</u>. To successfully register a request fiscal sponsors must, in this order:

- Complete the Organization Information
- Complete the Organization Budget
- Complete the Registration Form

Step 2: The Fiscal Sponsor sends the Sponsored Request Form to the Sponsored Entity to complete and return. A copy of the Sponsored Request Form can be found in the appendix of this document.

- Upon registering a request(s), you are provided a link to download the Sponsored Request Formfor the Sponsored Entity to complete.
- The NYSCA website will also generate a unique 'Project ID' for each successfully registered request. Each Fiscal Sponsor is required to include the 'Project ID' as part of each Grants Gateway application. The 'Project ID' is also required on the Sponsored Request Form.

Step 3: The Sponsored Entity completes the Sponsored Request Form. This form is a fillable PDF. The Sponsored Request Form requires the following information:

- General Information on the Sponsored Organization/Individual
- Project Budget
- Project ID
- Narrative Application Questions

Step 4: The Sponsored Entity returns the completed Sponsored Request Form and required support materials to the Fiscal Sponsor well before NYSCA's application deadline.

Step 5: Fiscal Sponsor completes and submits one Grants Gateway application for each sponsored request.

- Each Sponsored Request Form must be uploaded as a support material to the Grants Gateway application.
- Include the unique 'Project ID' as part of the Grants Gateway application.
- In the Program Specific Questions section of the Gateway, please answer the Basic Eligibility Questions for the Fiscal Sponsor organization and the first two Standard Questions. If additional Standard questions appear please enter N/A.
- All other Program Specific Questions are completed on the Sponsored Request Form. Please do not complete any other Category Specific Questions in the Grants Gateway.

Training and Application Resources

Webinars and training sessions about the application process including how to work in both the NYSCA and the Grants Gateway system will be offered. A schedule of webinars and training sessions and other application resources will be available. Please see NYSCA's program pages and the Grants Reform Training Calendar for webinars. We strongly urge all applicants to:

- Carefully review the Guidelines and Application Instructions contained within this document and on both the NYSCA homepage and Grants Reform website.
- Participate in the webinars and/or trainings with NYSCA and Grants Gateway.
- Visit NYSCA's YouTube channel and Grants Reform YouTube channel for tutorials.
- Contact <u>NYSCA Program Staff</u> with questions about the guidelines or proposed projects before NYSCA's Grants Gateway application opens on February 21, 2018.
- Review the <u>Grantee User Guide</u> found on the Grants Reform website.

The Application Process

The following sections illustrate the steps needed to complete an application by various types of applicants. This process begins with registration in the NYSCA system and is followed by submission of a Grants Gateway application.

Registering in the NYSCA System

Registering your request is the first step to apply for NYSCA FY2019 Funding. To register, organizations must complete three forms: Organization Info, Organization Budget and Registration. Organizations will not be granted access to the Registration Form until the Organization Info and Organization Budget forms have been completed.

Getting Started

Login to the NYSCA system.

Organization Information

To begin the registration process, select Organization Info on the left navigation bar.

Complete the Organization Information questions. Use the "Save" and "Next" buttons to move through the required questions. If you are unsure how to answer a question, click on the underlined questions for help. A complete list of questions is available following the screenshots in this section.

Upon completing the Organization Information, click Submit. You may review all your answers on one screen using the Review/Print button. While this screenshot is not repeated, this function is available on subsequent screens.

Organization Budget

Select Organization Budget on the left navigation bar. Click 'Edit Org Budget' to begin.

Complete the Organization Budget questions. Use the "Save" and "Next" buttons to move through the required questions. If you are unsure of what a question is asking, click on the underlined questions for help. A complete list of questions is available following the screenshots in this section.

Upon completing the Organization Budget, click Submit. You may review all your answers on one screen using the Review/Print button.

Registration Form

To access the Registration Form, click Edit Your Registration Form

To begin the Registration Form, click 'Begin New Project'. PLEASE NOTE: SCREENSHOT IS FROM FY2018.

Complete the Registration questions. Use the "Save" and "Next" buttons to move through the required questions. If you are unsure of what a question is asking, click on the underlined questions for help. A complete list of questions is available following the screenshots in this section.

Upon completing all Registration questions, click Submit. A pop-up will appear confirming submission and providing your Project ID. Make note of this Project ID as it will be required in the Grants Gateway application.

The website will then redirect to your Projects Page where you can review all registered projects and begin a new registration if necessary. Your Project ID is displayed on this page. Sponsored Requests can be located the applicable Sponsored Request Form by clicking on the Program Name.

Questions Subject to Change

Completing the Application in the Grants Gateway

Getting Started

To get started in the <u>Grants Gateway</u>, click on Grants Gateway Login in the upper left hand corner of the screen.

Locating and Initiating an Application

Once you're logged in, you are brought to the Home screen where you begin your search for an opportunity to apply to by clicking on the View Opportunities button.

Using the Search functionality, locate and click on the opportunity you would like to apply for, then click the APPLY FOR GRANT OPPORTUNITY button at the bottom of the screen.

Full instructions for initiating an application can be found in our <u>Grantee Quick Start Guide for Applications</u> and our <u>Vendor User Guide</u>.

Completing Your Application

The Grants Gateway application consists of a series of forms. Once you have initiated an application, you will complete these forms which will become your grant application. Below is a representation of the Forms Menu. Click each page name starting with Project/Site Address to access the corresponding form. More information on each required form can be found on following pages.

Project/Site Address Form

The first form you will complete is the Project/Site Address form. On this form you will enter "Primary Address" in the Name/Description field and indicate whether your project is statewide. Provide the primary site address where your project operates and select the Regional Council wherein your program is located.

Program Specific Questions Form

In this form, you will begin by entering a title for your grant project. You will then answer a set of Eligibility Questions and Standard Questions common to all applicants for the discipline you are applying for. After completing the common questions, scroll down to locate and complete an additional question set for the subcategory to which you are applying.

Eligibility Questions, Standard Questions and Category Questions can be found in the Program Information, Questions & Support Materials section.

MAKE SURE YOU ARE SAVING FREQUENTLY AND BETWEEN EACH RESPONSE.

Budget Forms

Through these forms, you will establish a budget for your grant project. This budget is reflected in the Expenditure Budget Summary Form which is automatically populated by information entered into the corresponding budget detail forms (Personal Services, Contractual, Travel, etc). Note – you do not enter any information into the Expenditure Budget Summary itself. Keep in mind, you only need to fill out expenditure budget detail forms for categories in which you are requesting funding. You do not need to fill out Narrative forms for categories where you are requesting funding. You do not need to enter any information in categories where you will not request grant funding.

PLEASE NOTE that the Expenditure Budget and its Summary are not considered by staff or panelists as part of the application review. These sections are designed to populate your contract IF your organization is granted funding for FY19.

MAKE SURE YOU SAVE BEFORE MOVING ON TO THE NEXT FORM.

Work Plan Forms

The work plan forms are used to outline the scope of work that will be completed with the grant funds. In this section you will enter a work plan period, project summary, and describe your organizational capacity. You will also enter an objective, task, and performance measure(s) as a way of quantifying or qualifying the targeted outcome of your proposed project.

PLEASE NOTE that the Work Plan Overview, including the Project Summary, Organizational Capacity, Objectives, Tasks and Performance Measures, are not considered by staff or panelists as part of the application review. These sections are designed to populate your contract IF your organization is granted funding for FY19.

The first form you will complete is the "Work Plan Overview." In this form, you will enter the Work Plan Period of 1/1/2019 – 12/31/2019, or if you are making a Capital Projects application in the Facilities program, you have the option to enter 1/1/2019-12/31/2020 instead. You will also enter your project summary and organizational capacity on this form.

The next form you will complete is the Objectives form. Enter the name of the discipline you are applying for (example, Dance, Theatre) in the Objective Name spot. Leave Objective Description blank.

Once you save the Objective, hover over the Forms Menu, and a link to the Tasks form will appear.

You will now complete the Tasks form. Enter the name of the subcategory (example – General Support, Professional Performances, Regrants and Parternships etc.) you are applying for in the Task Name box. Leave the Task description blank.

NOTE: You may not add more than one Objective, Task or Performance Measure

Once you save the Task, hover over the Forms Menu, and a link to the Performance Measure form will appear.

You will now complete the Performance Measure form. In the Performance Measure Name box, please enter an abbreviated name of the goal or outcome targeted. You should complete the narrative response with the measure you will use to determine if the goal was reached.

^{***}NOTE: You may not add more than one Objective, Task or Performance Measure***

Pre-Submission Uploads

The next section of forms are the Pre-Submission Uploads. This is the location where all support materials will be uploaded. In the event that an applicant fails to submit one or more of the required materials, the application will not be eligible for review. Required Support Materials can be found in the Program Information, Questions & Support Materials section.

Tips for Uploading Documents

- 1. Please upload support materials one at a time, saving the screen after each upload.
- 2. Each upload window on Grants Gateway each accepts only one file. Uploading multiple files will delete the previously uploaded file. Please combine multi-page support materials into a single file.
- 3. Audio and video files cannot be directly uploaded to Grants Gateway application. To share an audio or video clip you must provide a URL (aka website address) to the segment hosted on your website or another platform including YouTube, SoundCloud, Vimeo, etc. For information on the maximum length allowed for an audio or video clip please review the support materials information for your program.
- 4. To submit URLs (including audio/video clips, social media profiles and other relevant online content) please create a Word or PDF file with a list of URLs and any notes or descriptions. Each link should begin with http:// and lead directly to the material referenced and demonstrate your work in an accessible and engaging way.
- 5. URLs cannot be password protected and must remain live until December 31, 2018. NYSCA is not responsible for any broken, inactive or password protected links.
- 6. Accepted File Types: Adobe Acrobat PDFs, Microsoft Word DOC or DOCX, Microsoft Excel XLSX or XLS, Microsoft PowerPoint PPT or PPTX.
- 7. Files cannot be larger than 10MBs.
- 8. Do not put any password protection security on any uploads.

All applicants, with the exception of sponsored requests, must download the Project Budget Form provided, complete and submit it on the Pre-Submission Upload screen. A copy of this template can be found in the appendix of this document.

Additional support materials must be uploaded depending on the subcategory for which you are applying. If a template is provided, you will need to download the template, save it to your computer, complete it and resave, then upload to the Pre-Submission Upload page in its designated location.

Submitting Your Application

Once you have completed all information in the Forms menu and you are ready to submit your application, hover your cursor over the Status Changes link until the box for Possible Statuses pops up, and click on the Apply Status button under Application Submitted. If you don't see the option to submit the application, make sure you are logged in as either a Grantee Contract Signatory or a Grantee System Administrator. PLEASE NOTE: SCREENSHOT IS FROM FY2017.

After clicking on Apply Status, you will see the following attestation asking you to verify that you are authorized to submit the application on behalf of the organization you are applying for. By clicking on 'I Agree' your application will be successfully submitted, and you will be returned to the Application Main Page.

Agreement Please make a selection below to continue. By clicking the I Agree button below, you certify and agree that you are authorized on behalf of the applicant and its governing body to commit the applicant to comply with the requirements of Article 15-A of the New York State Executive Law: Participation By Minority Group Members and Women With Respect To State Contracts by providing opportunities for Minority-owned Business Enterprise (MBE)/Woman-owned Business Enterprise (WBE) participation. You further certify that the applicant will maintain such records and take such actions necessary to demonstrate such compliance throughout the completion of the project. By clicking the I Agree button below, you certify that you are authorized on behalf of the applicant and its governing body to submit this application. You further certify that all of the information contained in this Application and in all statements, data and supporting documents which have been made or furnished for the purpose of receiving Assistance for the project described in this application, are true, correct and complete to the best of your knowledge and belief. You acknowledge that offering a written instrument knowing that the written instrument contains a false statement or false information, with the intent to defraud the State or any political subdivision, public authority or public benefit corporation of the State, with the knowledge or belief that it will be filed with or recorded by the State or any political subdivision, public authority or public benefit corporation of the State, constitutes a crime under New York State Law. IAGREE

You can verify that your application was submitted by clicking on the Details link and seeing your Current Status now shows Assignment of Reviewers. You will also receive an email verifying its submission.

Funding Criteria

The Council, program staff and panelists use the following three primary criteria outlined in statutory requirements to evaluate all grant applications.

Service to the Public

As a public funder, NYSCA must ensure that its grants support a broad array of cultural activity that fully represents the diversity of the State and that the supported events are accessible to the broadest possible public in every region of the State. In addition, it must ensure that the organization's and events it supports complies with public safety and accessibility laws. The following are considered elements of service to the public. Applicants will be evaluated based on their strength in these areas.

Promotion and Outreach: an organization demonstrates that it makes significant efforts to reach a broad and diverse audience through marketing and public relations efforts.

Audience Development: the organization offers thoughtful and well-designed educational and interpretive activities that help build audience appreciation and understanding of the organization and its work.

Audience/Visitor Participation: the organization's commitment to its programs and activities as demonstrated through attendance data (relevant to the population of the community served) as well as customer satisfaction surveys (if available and appropriate).

Safety & Accessibility: the activities and events that support is being sought for will take place in venues that are fully accessible to the public and comply with all safety and accessibility standards.

Diversity of Programming: programming reflects significant efforts to reach a broad array of artists and audiences.

Community Service: the organization brings value to its community through partnerships with local businesses and schools, free and low-cost events, and in other appropriate ways.

Artistic/Programmatic Excellence

NYSCA believes in artistic excellence without boundaries, and its evaluation process embraces the widest variety of cultural and artistic expression being offered to the public in a broad array of settings and contexts, including classrooms and community centers, parks, open spaces, and traditional venues.

NYSCA considers four dimensions of proposals when evaluating applications:

Idea: the concept or artistic impetus behind the artistic work or services proposed.

Practice: the effectiveness of the artistic work and the impact it has on those experiencing it, or in the case of services, the effectiveness of the services in practice and their impact on the community served.

Development: the contribution the artistic work makes to the development of the artists involved, the art form, and the arts generally, or for services, the contribution the services make to the development of a vibrant arts and cultural community in the State.

Context: the context in which the work or services are being presented and the appropriateness of the work or services in that context.

Managerial/Fiscal Competence

As a public funder, NYSCA must ensure that funded organizations are capable of carrying out their proposals and will be ethical and effective stewards of public funds.

NYSCA considers four dimensions of managerial competence when evaluating applicant organizations.

Mission: The organization's activities must relate directly to its written mission statement. A mission statement should (1) define the organization's purpose for being and core values, (2) determine its structure, functions and purpose, (3) be approved by the organization's board, and (4) be reviewed regularly and updated when appropriate.

Governance: The organization should have a governing board of directors or trustees, and that group should be diverse and appropriate to the mission of the organization. The board should provide administrative, financial, and ethical oversight for the organization by:

- Adopting enabling documents, including by-laws and a mission statement, both of which are reviewed at regular intervals
- Selecting a chief executive and annually reviewing her/his performance
- Reviewing and approving the annual budget and ensuring that proper financial controls are in place
- Engaging in adequate fundraising for the organization by making a personal contribution to the organization and actively soliciting support on its behalf
- Ensuring fiscal and programmatic integrity and maintaining accountability by upholding legal standards and ethical norms
- Maintaining and enforcing a conflict of interest policy
- Ensuring effective organizational planning by participating in an overall planning process and monitoring its implementation
- Recruiting and orienting new board members and assessing board performance
- Enhancing the organization's public standing and value

Understanding, monitoring, and strengthening the organization's core programs and services

Organizational Management: Organizational management will be assessed based on the extent to which the leaders of the organization comprehend their roles, advance the mission, and plan for the future. Responsible management hinges on the:

- Existence of a professional staff appropriate to the size and mission of the organization
- Implementation of board policies by professional staff
- Comprehension, review, and revision of policies by staff and with the board as needed
- Preparation of a year-end statement of the organization's financial condition and program activities
- Offering of competitive compensation and health benefits to employees
- Appropriate compensation of artists
- Existence of personnel policies that include job descriptions and performance evaluations for board members, staff, and volunteers
- Development and implementation of a strategic plan incorporating input from the board, staff, community and other stakeholders.

Financial Management: The organization will be evaluated based on whether it provides adequate human and financial resources to enable the organization to work toward fulfilling its mission and managing those resources appropriately. Successful financial management includes:

- Raising adequate financial resources for operating costs, cash reserve, endowment, and short and long-term capital needs
- Developing a balanced operating budget which includes contingencies, contains realistic projections of revenues and expenses, and is approved by the board
- Reviewing revenues and expenses in relation to budget at regular intervals and taking steps to raise funds or cut costs when necessary to balance the budget
- Establishing a finance committee that meets regularly to review financial statements and that reports directly to the board
- Engaging an independent financial auditor that reports directly to board
- Engaging in cost-effective fundraising activities.
- Written financial policies exist that govern investment of assets, internal control procedures, purchasing practices, reserve funds, compensation expense account reporting, and earned income
- Internal financial processes are monitored, including handling of checks, petty cash, cash disbursements, and payroll management, in order to prevent errors and misuse of funds
- The use of restricted funds is monitored
- Reports comparing Adopted Budget to actual revenue and expenses are made available to appropriate staff in a timely manner
- There is a fund development plan that ensures a diversified funding base
- Financials demonstrate diversified funding base
- Budget variances of more than 10% are noted and explained
- Operating deficits are explained and there is a deficit reduction plan for accumulated deficits.

Educational Impact

The nature and extent of the applicant's planned efforts to educate and orient the public about the proposed project or activities of an organization

Geographic Location

The scarcity or availability of comparable services or activities in the geographic region in which proposed services or activities will take place

Funding Availability

The nature and extent of the availability of other public and private funds to support comparable activities

Application Review Process

The Council uses a multi-step process involving program staff, peer review panels, a committee of Council members, and the full Council, as described in more detail below.

Staff Review

Once an organization submits a request, the Council's program and administrative staff verify applicant eligibility and review application materials according to the Council's **primary criteria** identified above and program- and category-specific guidelines. Staff may meet with representatives of the organization, visit facilities, and attend programs to become familiar with the organization and its work.

Peer Review Panels and the Rating System

After staff review, the peer panel convenes with program staff present in each program category. The panel is composed of at least seven people and represents a diverse group of professionals from across the State. Each member has relevant and specific expertise. NYSCA accepts nominations for panelists from the general public. To nominate an individual for panel service consideration, visit the panelist nomination page.

Staff review results are shared during panel meetings. The panel evaluates and rates each request on a scale from 1-9 according to the Council's three primary criteria:

- Artistic/Programmatic Excellence
- Managerial/Fiscal Competence
- Service/Outreach to the Public

Each request is individually rated by each panel member during a meeting. These ratings are then aggregated to one average score for each request. These ratings are primary to informing the funding recommendations made by NYSCA Program staff for consideration by the appropriate Council Committee.

Staff assigns recommended grant amounts to each request based on the ratings, panel discussion, and the budget allocation to the program. Staff also prepares panel comments which reflect the discussion at the panel meeting. These panel comments help Council Committee and Council members understand the major issues that surfaced during panel discussions. These panel comments are available to the applicants if requested, and become part of the applicant's funding history within the NYSCA.

Rating System Score Chart

Score	Descriptor	Additional Guidance on Strengths/Weaknesses	
9	Exceptional	Exceptionally strong (model and standard for field or discipline with essentially no weaknesses)	

8	Outstanding	Extremely strong with negligible weaknesses
7	Excellent	Very strong with some minor weaknesses
6	Very Good	Strong with numerous minor weaknesses
5	Good	Strong but with at least one moderate weakness
4	Satisfactory	Some strengths but with some moderate weaknesses
3	Fair	Some strengths but with at least one major weakness
2	Marginal	A few strengths and a few major weaknesses
1	Poor	Very few strengths and numerous major weaknesses

Minor Weakness: An easily addressable weakness that does not substantially lessen impact.

Moderate Weakness: A weakness that lessens impact.

Major Weakness: A weakness that severely limits impact.

Council Committees

Funding recommendations, panel ratings and panel comments are presented to the appropriate Council Committee for review and discussion. The Council Committees make funding recommendations to the full Council. Council Committee meetings are open to the public and are webcast. These webcasts are archived and available to the public on the NYSCA website at www.nysca.org.

There are two committees composed of Council Members: Visual, Performing and Literary Arts; and Multi-Disciplinary Arts. The Committees may agree or disagree with staff funding recommendations. In the event the Committee makes a funding recommendation that differs from the staff funding recommendations, a new recommendation is agreed upon and the updated recommendation is then presented to the full Council along with the rationale for the recommendation.

Council Committee action is subject to the same scrutiny as peer panel reviews in that a clear rationale must be articulated when adjustments are made, and all actions must be based upon how organizations' applications were evaluated based upon the three primary criteria.

The Council

Led by the Chair, the full Council reviews the funding recommendations of the Council Committees and votes to approve grants. The Council is the ultimate decision maker and retains the authority to agree or disagree with recommendations, and propose new recommendations. Upon Council approval of a grant, Cultural Service Contracts are issued to the organizations approved for funding. Council meetings are open to the public and are webcast. These webcasts are archived and available to the public on the NYSCA website at www.arts.ny.gov.

Applicant Statement

In order to ensure fairness in the application review process, applicants are strictly prohibited from contacting Panelists associated with and/or involved in the activities or affairs of the New York State Council on the Arts (NYSCA) in any way to obtain or share information regarding the NYSCA application review process. This includes all activity associated with NYSCA at its main office, including panel discussions, and all

communication with NYSCA staff including, but not limited to exchanges via email, telephone, or online system.

All data, materials, knowledge and information generated through, originating from, or having to do with NYSCA or persons associated with our activities, including contractors, is to be considered privileged and confidential and is not to be disclosed to any third party. This also includes, but is not limited to, any information of, or relating to, panel discussion, applications, and funding recommendations.

All inquiries about panel results and proceedings must be communicated to the NYSCA staff directly.

Upon Receiving a Grant

Grant Award Notice

All applicants are notified by e-mail of the Council's funding decision within 30 days of the Council's decision. This notification is sent to the e-mail address of the person designated as the contact on the Organization Profile.

It is essential that the applicant Organization Information Profile specifies the correct name and e-mail of the person designated to receive official communication from the Council. This information can be updated and checked at any time.

Vendor Responsibility

Applicant organizations must file a **Vendor Responsibility Questionnaire** online via the New York State VendRep System. Applicant Organizations that had completed this requirement in FY2018 should simply update the certification to remain current for FY2019. To enroll in and use the New York State VendRep System, see the VendRep System Instructions available at http://www.osc.state.ny.us/vendrep/vendor index.htm or go directly to the VendRep System online at https://portal.osc.state.ny.us

NY State Department of Taxation and Finance

Organizations with outstanding liabilities with the NYS Department of Taxation and Finance are not eligible for funding from the Council. Applicants may be required to provide proof that any such liability has been paid.

Cultural Services Contract

Grantees receive a Cultural Services Contract that details one or more grants awarded to the organization. The Cultural Services Contract is a binding legal agreement that requires the grantee to carry out certain activities or provide services, paid for, in part, with funding received from the Council.

Noncompliance with the terms of the Cultural Services Contract may require the return of funds to the State, and may affect eligibility for future requests for Council support.

Crediting the New York State Council on the Arts

Grantees are required to acknowledge funding from New York State. It is essential that the public is informed that public funds are used to support arts programs and services available to New York State residents,

students and visitors. Therefore it is stipulated in the Cultural Services Contract that grantees must credit the Council in press releases, advertisements, programs, and other materials offered to the public. Failure to comply with crediting requirements may jeopardize future funding from the Council.

The required crediting language is:

"New York State Council on the Arts with the support of Governor Andrew M. Cuomo and the New York State Legislature."

For organizations receiving General Support, acknowledgement of Council support is required for all public programs and services occurring within New York State. If the grant funds projects or services, the acknowledgement of Council support is required on all materials related to the specific funded activities.

Any questions about proper acknowledgement of Council support may be directed to the Help Desk.

The Council on the Arts Logo

For organizations wishing to incorporate the Council's logo in their print or online materials, the logo is available in <u>Green</u>, <u>Black</u> and <u>White</u>. Each zip folder contains .EPS, .TIFF and .PNG format of the logo. Black and green logos are also provided in .PDF and .JPG formats. The logo may not be substituted for the required crediting language but may be used in addition to the required language.

Contract Reporting

All grantee organizations that are awarded a contract in an amount of \$50,000 or more in a single year or \$50,000 or more in the aggregate for a multi-year contract, must submit both an Interim Report and Final Report to NYSCA. Grantees in the Capital Projects category of the Facilities program that have chosen a two-year contract term will also need to submit an interim report at the end of the first year (and 20% of the grant funds will be disbursed only after the interim report has been submitted and approved). Both such reports are comprised of two components – a narrative section that must address the work plan, tasks and performance objectives outlined in the original application, and an expenditure reports that must offer details on how the NYSCA grant money has been spent to date. The expenditure report should be a line-item budget and should be accompanied by receipts, invoices and other documentation that demonstrates that the work has been performed or is scheduled to be performed or is underway and funds are committed to the project.

The Interim Report is due after the start of the contract term. The exact due date will be included in your contract. Upon submission, the Program Director and Senior Auditor will review the Report. If satisfactory, your second claim installment payment voucher will be released. A Final Report is due within 60 days after the end of your contract term. Once again, the Final Report should be comprised of both a narrative report of the work performed throughout the contract period as well as an expenditure budget.

Grantees awarded less than \$50,000 either in a single year or in the aggregate, are required to submit only a Final Report (with the exception of Capital Projects grantees that have selected a two-year contract) – comprised of both a detailed narrative portion and an expenditure report – within 60 days after the end of the contract term. The Final Report must be received by the required deadline, should demonstrate compliance with the terms of the Cultural Services Contract, and must be approved by both the Program Director and the Senior Auditor.

NOTE: An organization is not eligible to register for new or ongoing (multi-year) funding nor to be issued new Cultural Services Contract(s) if the above required Reports are not submitted or if the Reports submitted are

incomplete or if they are disapproved by staff.

Appeals Process

An applicant may appeal the Council's funding decision. The appeals procedure is set forth in Part 6401 of the New York Codes, Rules and Regulations. Appeals are decided by an Appeals Panel with a minimum of seven members. No members of the Appeals Panel will have participated on the panels which reviewed the applications being appealed. The recommendations of the Appeals Panel are presented to the full Council to be reviewed and decided upon. The Council's decision on an appeal is final and not appealable.

In summary: the process requires that the applicant obtain a verbal statement of the basis for the Council's decision. Requests for statements should be made to the program referred to in the letter notifying the applicant of the Council's decision. If, after reviewing the statement, the organization wishes to pursue an appeal, the appeal must be made in writing to the Council's Executive Director, and the letter must be received no later than 5:00pm on the 21st calendar day after the date of the Council's notification letter to the applicant. If the applicant has not been able to consult with the appropriate program within the time limitation, a written request to appeal must still be submitted within the 21 calendar day time period.

Thereafter, the applicant will receive a written response and in that response, a deadline for the submission of all allowable material supporting the appeal will be established. No deadline date will be set earlier than seven days from the date of the written response. Failure to meet any deadline date in the appeals process results in the loss of the right to appeal the Council decision.

The Appeals Panel evaluates the review process by which the initial grant decision was made and reviews the application and panel notes. The panel does not review the artistic merit of the application.

Dissatisfaction with the denial of a grant or with the amount of the grant is not a valid ground for appeal. One or more of the following are valid grounds for appeal:

1. Non-presentation of information

Information known to the Council staff prior to the Council's decision that was not presented and that might have altered the decision.

2. Misrepresentation of information

Information known to the Council staff prior to the Council's decision that was changed in its presentation and that, if presented differently, might have altered the decision.

3. Improper procedure

Contention by the applicant that: 1) the review of the funding request by the appropriate panel was biased; 2) the decision by the Council was arbitrary and capricious.

If the appeal request is successful, the funding decision will be reconsidered by the appropriate program and panel and then by the Council committee and the Council. In the case that the appeal is upheld based on panel bias, the decision will be reconsidered directly by the appropriate Council committee and then by the Council.

All appeals panel meetings are open to the public and are <u>webcast</u>. The Appeals Panel meeting agenda and discussion materials are posted on http://www.nysca.org/ in advance of the meeting and are available for review by the public.

Transparency

The Freedom of Information Law, N.Y. Public Officers Law §§ 84–90, grants the right of access to many public documents, including those of the Council on the Arts.

Pursuant to New York's Open Meetings Law, N.Y. Public Officers Law §§ 100–111, meetings of the Council on the Arts are open to the public and are announced in advance.

Facilities Program Information, Questions & Support Materials

Program Goals

Arts, cultural and heritage organizations that own or lease buildings face myriad challenges in managing those structures. Through Facilities support NYSCA makes strategic investments in supporting those organizations to help them become more physically accessible and age-friendly, stabilize their facility, support their artistic efforts, and become more sustainable for their communities. Strong Facilities projects combine excellence in design with informed decisions which will positively affect the future of arts, cultural and heritage organizations across the state.

The Council is more likely to support projects that meet at least one of the following priorities:

- Projects that improve, expand, or rehabilitate existing buildings to provide access for all.
- Projects that address known health and safety deficiencies.
- Projects that address issues of building stabilization.
- Projects from organizations that further cultural development in rural or minority communities.
- Projects that reduce an organization's operating costs.
- Projects that demonstrate environmental stewardship and/or sustainable building practices.

Funding is also prioritized to buildings which currently house NYSCA-funded programs.

The NYSCA grant program strives to make investments of public funds that serve all communities and people that comprise New York State's citizens and visitors. NYSCA strongly supports, values and encourages the sustained and concerted efforts of non-profit art, culture and heritage organizations to be inclusive and have its workforce, artists and programmatic offerings reflect New York State's diversity of people, geography and artistic interests.

Program Prerequisites

In order to be eligible to apply for the Facilities Program an applicant organization must meet the following minimum criteria:

- Applicants must have received NYSCA funding for ongoing programs and activities (not including sponsored projects, Regional Economic Development, Regrants or Decentralization grants) for the previous three consecutive years.
- The applicant cannot have received facilities (capital) funding for more than three years in the last five year period.
- The applicant must prove ownership of the facility or leasehold with an unexpired period of at least six years at the time of application. (A renewal option contained in the current lease will be considered, provided such renewal does not require landlord approval).
- Organizations must own their facility to apply for any exterior rehabilitation projects, such as roof replacement and façade restoration.
- Applicants must have completed any previously supported facilities projects before applying for a new project. This includes submission of the final report.

The project for which funding is sought cannot be supported by any other New York State programs
or agencies including Regional Economic Development opportunity. Projects which include other
New York State support in the project budget are ineligible for NYSCA support.

These organizations are not eligible.

- Religious institutions or arts organizations requesting funds for a facility they share with or lease from a religious institution.
- Public school districts, public universities, or state agencies, or arts organizations leasing their facility from such an entity.

Additional Information

• Deferred Maintenance

NYSCA is unlikely to fund maintenance projects and capital projects that have resulted from deferred maintenance. Examples may include roof repair, servicing of HVAC equipment, and painting.

Americans with Disabilities Act and Section 504

Facilities support is particularly concerned with ensuring access to cultural events and services for all New Yorkers. Applicants whose facilities are not fully accessible to both audience members and artists with disabilities are urged to learn about and work toward compliance with the Americans with Disabilities Act of 1990 and Section 504 of the Rehabilitation Act of 1973.

Dormitory Authority Review

Projects of proposing budgets of \$1 million or greater must be referred to the Dormitory Authority of the State of New York for technical review and recommendations. This review typically takes 30 days. If the Dormitory Authority determines that a project is technically flawed, it may recommend to NYSCA that funding be denied. In such an event, it is highly unlikely that the project would be funded by NYSCA.

State Historic Preservation Office Review

Per Section 14.09 of the New York State Preservation Act, New York State's Historic Preservation Office (SHPO) must review capital projects funded by New York State to "ensure that the effects or impacts on eligible or listed properties are considered and avoided or mitigated during the project planning process." Organizations must go to: http://www.nysparks.com/shpo/environmental-review/documents/ProjectReviewSubmissionCoverForm.pdf and submit the form, requesting a SHPO consultation.

Sponsored projects are not eligible for support in this category.

Technical Support

The Preservation League of New York State administers two grant programs on behalf of the New York State Council on the Arts. Within the Preserve New York program, Building Condition Reports are now available. Additionally, Technical Assistance Grants provide support for modest projects including buildings conditions assessments and structural analyses. Information on the application guidelines and deadlines can be found at www.preservenys.org

Preservation League of New York State 44 Central Avenue Albany, NY 12206 t: 518.462.5658 url: www.preservenys.org

Types of Facilities Support

Capital Equipment

Support may be requested for the purchase of major equipment to be used on the premises of the applicants facility that is essential to the production and/or presentation of an art form. Examples include theatrical lighting or sound systems, gallery lighting, sprung flooring, assisted listening systems, large-type and Braille printers, theatre seats, projectors, and fire curtains. Museum collections storage systems are also eligible. Such professional equipment may be requested for programs focused on professional training/rehearsal as well as arts education. For example, sprung flooring might be requested for a rehearsal space for professional dancers or dance education programs.

Stage rigging, wheelchair lifts, and elevators may be supported as a construction expense in the Capital Projects category.

Examples of ineligible equipment requests include: generators, office furniture, office shelving, stackable chairs, office computers and software, distance learning equipment, food service equipment, and telephones.

Recognizing that the latest technology may need to be run with computers, applicants may only include computers if the applicant can clearly make the case that the equipment is critical to the ability to produce an art form and is not for daily, office or administrative use.

Musical instruments are not supported through this category. Applicants may seek support through NYSCA's Musical Instrument Revolving Loan Fund.

The Council will award up to 50% of the costs of equipment purchase and installation. The maximum grant is \$49,500; the minimum grant is \$5,000; awards reflect the applicant's full eligible request in this category. Organizations may not include other New York State funds in their project budgets. Project budgets may include in-kind goods and services.

Capital Projects

Support is available for renovation, expansion, or restoration projects for eligible buildings. Such projects must be sufficiently developed and be able to secure all required permits and approvals. Construction must be able to occur during the NYSCA contract period in order to be eligible. Additionally, applicants requesting support for installation of elevators, wheelchair lifts, boilers, and HVAC systems should apply under this category. Support in this category is not available for the construction of entirely new facilities.

As required by legislation, all applications in this category are reviewed by New York State licensed engineers and architects.

The Council will award up to 50% of the costs of only construction materials and labor. The maximum grant is \$49,500; the minimum grant is \$5,000; awards reflect the applicant's full eligible request in this category. Applicants in this category must specify whether they are applying for a one or two-year contract period. If applying for a one-year contract, the grant payment will be made in its entirety at the beginning of the contract period. If applying for a two-year grant, 80% of the funds will be paid at the beginning of the contract period; at the end of the first year, an interim report will be due, and the remaining 20% of the grant will be paid at the beginning of the second year of the contract, pending approval of the interim report. In the case of both one and two year contracts, a final report will be due at the end of the term.

Organizations may not include other New York State funds in their project budgets. Project budgets may include in-kind goods and services.

Design Studies

Funding is available for nonprofit arts, cultural and heritage organizations or local governmental agencies which manage a cultural facility in New York State to engage the services of a New York State licensed architect for the completion of concept design, schematic design, or design development for a planned capital project. Requests for an architect-designed master plan for a cultural facility are also accepted.

NYSCA encourages design work that generates creative solutions to the problem of adapting existing structures to new or expanded cultural uses.

Funds awarded are prioritized for up to 50% of consultants' fees for the design phases of a project. The maximum grant is \$49,500; the minimum grant is \$5,000. Support in this category is not available for the design of entirely new facilities.

Projects in this category may not include: bid negotiation, construction administration, purchase of real estate or capital construction costs, out-of-state travel, salaries or overhead of public agencies, or student projects. To apply for construction costs, please refer to Capital Projects.

Regrants and Partnerships

Application to the Regrants & Partnerships Programs category is by invitation only. The Council may contract with nonprofit organizations to administer targeted funding and technical assistance in areas not directly funded by NYSCA Programs. Organizations are invited based on an identified, unmet need within a discipline by Program staff and the service profile of the applicant organization. This category covers a range of services from the administration of technical assistance funds to fees for artist appearances. Organizations applying to the Council in this category must show a willingness to reach beyond their membership in providing services or regrant awards.

Administrative costs for delivery of services can vary depending on the nature, depth and scope of

the work, but rarely exceed 15% of project costs.

Prerequisites

- Its primary focus or mission must be in the discipline in which the organization is seeking Regrants and Partnerships support or the organization must have significant ongoing activities or services in the areas supported by this program.
- The organization must demonstrate fiscal stability as indicated by such factors as a positive fund balance, an absence of substantial, recurring organizational deficits, a realistic and balanced organizational budget, diverse revenue sources, and strong internal controls; and
- The organization must employ one or more qualified, salaried administrative staff; and
- It must have a viable, committed board of directors with officers that exercises oversight and accountability for governance, operations, programming and finances.

Facilities Questions

All narrative questions below are answered in the Program Specific Question form in the Grants Gateway.

ELIGIBILITY QUESTIONS: ALL NYSCA APPLICANTS must answer the questions below:

- 1EQ. ELIGIBILITY QUESTIONS: Have you registered this request on the NYSCA website?
- 2EQ. ELIGIBILITY QUESTIONS: Does your organization have any outstanding, overdue NYSCA interim or final reports or submitted reports that have yet to be approved by NYSCA staff?
- 3EQ. ELIGIBILITY QUESTIONS: Is your organization prequalified in the Grants Gateway? Units of local government and Indian Tribes are exempt from the prequalification requirement.
- 4EQ. ELIGIBILITY QUESTIONS: Is the activity for this request within the January 1, 2019 to December 31, 2019 contract period? Or, in the case of Capital Projects applicants, either January 1, 2019 to December 31, 2019 OR January 1, 2019 to December 31, 2020? Work outside these contract periods is not eligible for this request.

STANDARD QUESTIONS: ALL FACILITIES APPLICANTS must answer the questions below.

- 1SQ. STANDARD QUESTIONS: Please provide the Project ID for this request generated by the NYSCA website.
- 2SQ. STANDARD QUESTIONS: What category are you applying for?
- 3SQ. STANDARD QUESTIONS: Site Control Documents

 Briefly describe the building. For Ownership: include date of deed, liber number. For Lease: include dates of current lease. If the unexpired period of the lease is less than six years from the application deadline, the project is not eligible. If there is a renewal option, not requiring landlord approval, please note. Other: describe in detail.
- 4SQ. STANDARD QUESTIONS: Buildings 50 Years or Older

 If the facility which is part of this application is 50 years or older, please note. Additionally, if the building is on the National or State Registry, please identify when it was approved and the registry number. If the facility is currently in the nomination stage, please indicate.
- 5SQ. STANDARD QUESTIONS: Facility Use Identify and describe the NYSCA-supported arts and/or cultural program activities and services that take place in the part of the facility that the organization plans to renovate/expand/restore.

CAPITAL PROJECTS: All applicants to CAPITAL PROJECTS must complete the following questions.

- 1CP. CAPITAL PROJECTS DESIGN/TECHNICAL REVIEW Project Planning
 Establish the need for the project by detailing how you determined that this solution was the best means of addressing the problem and why it must be done now.
- 2CP. CAPITAL PROJECTS DESIGN/TECHNICAL REVIEW Codes and Permits

 Please identify any local codes your project must meet and how you will meet them. Additionally identify

any required permits including building permits and certificates of appropriateness.

3CP, CAPITAL PROJECTS DESIGN/TECHNICAL REVIEW - Construction Work

Provide a detailed description of the work to be performed by the contractors. If this request is part of a larger capital project, briefly describe the full construction project to provide context as to how this request will fit in and be coordinated with the entire construction project.

4CP. CAPITAL PROJECTS DESIGN/TECHNICAL REVIEW - Project Impact

Describe the impact of the completed project on the organization's artistic and/or cultural operations, focusing on those supported by NYSCA.

5CP, CAPITAL PROJECTS DESIGN/TECHNICAL REVIEW - Consultant's Qualifications

Briefly describe the architect or engineer's qualifications as they relate to the project for which support is requested. List some similar projects that s/he has recently completed. Why is this consultant the right one for this project?

6CP. CAPITAL PROJECTS MANAGERIAL/FISCAL - Project Management

Discuss who will manage the construction project. Describe his or her relevant experience.

7CP. CAPITAL PROJECTS MANAGERIAL/FISCAL - Project Timeline

Specify whether you are applying for a one or two year contract. Detail the project's timeline within the NYSCA contract period. Include provisions for securing all applicable local and state compliance approvals (including SHPO) in this timeline.

8CP. CAPITAL PROJECTS MANAGERIAL/FISCAL - Finances

Since NYSCA can only support up to 50% of any project's total cost, describe how the organization will raise the funds necessary to complete the project. What resources are available, including in-kind support? Indicate whether funds are confirmed or projected. How will the finished project impact the organization's financials?

9CP. CAPITAL PROJECTS MANAGERIAL/FISCAL - Long-range Capital Plans

Detail other facility-related projects planned for the next three to five years, how the board is involved with these projects, and the fundraising plan to implement them. Please include any capital campaign goals. Discuss how these capital projects are supported by institutional plans.

10CP. CAPITAL PROJECTS MANAGERIAL/FISCAL - Maintenance

Describe the ability of the organization to operate and maintain the facility after improvements are made, particularly as related to the organization's business plan.

11CP. CAPITAL PROJECTS MANAGERIAL/FISCAL - Certified Minority and Women-owned Contractors Detail efforts made to obtain estimates from certified minority- and/or women-owned construction contractors. Will the project contract with a New York State certified minority or women-owned business?

12CP. CAPITAL PROJECTS SERVICE TO THE PUBLIC - Constituency

Discuss how this project will affect the audience and communities served by the organization, and why it is important to them.

13CP. CAPITAL PROJECTS MANAGERIAL/FISCAL - Funding Priorities

Describe how this project will best serve the public by meeting one (or more) of NYSCA's funding priorities for this category. Please review the guidelines for the list of priorities.

14CP. CAPITAL PROJECTS - Support Materials

You must submit all of the required support materials as detailed in the guidelines and list them here. Failure to do so will render the application ineligible.

CAPITAL EQUIPMENT: All applicants to CAPITAL EQUIPMENT must complete the following questions.

- 1CE. CAPITAL EQUIPMENT DESIGN/TECHNICAL REVIEW Equipment Description Describe the equipment to be purchased. Please also describe how it will supplement, complement or replace current inventory.
- 2CE. CAPITAL EQUIPMENT DESIGN/TECHNICAL REVIEW Program Enhancement Establish the need for this equipment, why the particular equipment was chosen, and how this equipment will enhance the NYSCA-funded activities for which it is intended.
- 3CE. CAPITAL EQUIPMENT DESIGN/TECHNICAL REVIEW Consultant's Qualifications If applicable, briefly describe the consultant's qualifications as they relate to this request.
- 4CE. CAPITAL EQUIPMENT MANAGERIAL/FISCAL Project Manager

 Detail who will manage this project, whether someone on staff or an outside consultant, and their relevant qualifications.
- 5CE. CAPITAL EQUIPMENT MANAGERIAL/FISCAL Project Timeline Detail the project's timeline within the NYSCA contract period.
- 6CE. CAPITAL EQUIPMENT MANAGERIAL/FISCAL Finances
 Since NYSCA can only support up to 50% of any project's total cost, describe how the organization
 will raise the funds necessary to complete the project. What resources are available, including in-kind
 support? Indicate whether funds are confirmed or projected.
- 7CE. CAPITAL EQUIPMENT MANAGERIAL/FISCAL Maintenance
 Discuss the ability of the organization to maintain the equipment after purchase and installation.
- 8CE. CAPITAL EQUIPMENT MANAGERIAL/FISCAL Sustainability
 If relevant, please detail how this equipment will make the facility more environmentally and economically sustainable.
- 9CE. CAPITAL EQUIPMENT MANAGERIAL/FISCAL Certified Minority and Women-Owned Contractors

 Describe efforts made to obtain estimates from certified minority-and/or women-owned vendors. Will the
 project contract with a New York State-certified minority or women-owned business?
- 10CE. CAPITAL EQUIPMENT SERVICE TO THE PUBLIC Constituency

 Detail how the purchase of this equipment will affect the audience experience and communities served by the organization.

11CE. CAPITAL EQUIPMENT SERVICE TO THE PUBLIC - Funding Priorities

Describe how this project will best serve the public by meeting one (or more) of NYSCA's funding priorities for this category. Please review the guidelines for the list of priorities.

12CE. CAPITAL EQUIPMENT - Support Materials

You must submit all of the required support materials as detailed in the guidelines and list them here. Failure to do so will render the application ineligible.

DESIGN STUDIES: All applicants to DESIGN STUDIES must complete the following questions.

- 1D. DESIGN STUDIES DESIGN/TECHNICAL REVIEW Project Overview

 Describe the design project for which the organization is requesting support and why it is a current priority. Discuss the design problem that this project seeks to solve. If this project is part of a larger plan, briefly describe the overall effort, to provide context for this component.
- 2D. DESIGN STUDIES DESIGN/TECHNICAL REVIEW Consultant Qualifications

 Detail the professional qualifications of the consultant architect, particularly as they relate to the needs of this project. Why is this architect the right one for this project?
- 3D. DESIGN STUDIES DESIGN/TECHNICAL REVIEW Consultant Selection Process Briefly describe the recruitment and selection process for the architect.
- 4D. DESIGN STUDIES DESIGN/TECHNICAL REVIEW Consultant's Tasks and Schedule Please copy from the architect's scope of work the time schedule for the architect's work including the specific tasks to be completed.
- 5D. DESIGN STUDIES DESIGN/TECHNICAL REVIEW Consultant's Products
 Please copy from the architect's scope of work the final products that will be completed for this project.
- 6D. DESIGN STUDIES MANAGERIAL/FISCAL Mission and Long-Range Plan
 Discuss how this project fits within or supports the mission of the organization and how it relates to the organization's long-range or strategic plan.
- 7D. DESIGN STUDIES MANAGERIAL/FISCAL Architect's Fees

 Detail the architect's fee for this project including the billing rates and direct costs. This may be copied from the scope of work.
- 8D. DESIGN STUDIES MANAGERIAL/FISCAL Finances
 Since NYSCA can only support up to 50% of any project's total cost, discuss how the organization will raise the other funds needed for this design phase. Indicate whether funds are confirmed or projected.
- 9D. DESIGN STUDIES MANAGERIAL/FISCAL Implementation

 Describe plans and identify sources of construction funding to implement this project.
- 10D. DESIGN STUDIES MANAGERIAL/FISCAL Operations

 Detail the plans for meeting the increased costs of operating the expanded/renovated facility.

11D. DESIGN STUDIES SERVICE TO THE PUBLC - Community

Discuss how the organization's community will be engaged in this design process. Explain how this project, when complete, will serve those constituents.

12D. DESIGN STUDIES SERVICE TO THE PUBLC - Funding Priorities

Describe how this project will best serve the public by meeting one (or more) of NYSCA's funding priorities for this category. Please review the guidelines for the list of priorities.

13D. DESIGN STUDIES - Support Materials

You must submit all of the required support materials as detailed in the guidelines and list them here. Failure to do so will render the application ineligible.

REGRANTS AND PARTNERSHIPS: All applicants to REGRANTS AND PARTNERSHIPS must complete the following questions.

- 1R. REGRANTS AND PARTNERSHIPS ARTISTIC/PROGRAMATIC Program Summary
 Discuss the goals and priorities of this regrant program. Identify your key constituents. Please provide a
 url for the grant guidelines and application.
- 2R. REGRANTS AND PARTNERSHIPS ARTISTIC/PROGRAMATIC Mission How does this program relate to the organization's mission, goals and programming?
- 3R. REGRANTS AND PARTNERSHIPS ARTISTIC/PROGRAMATIC Scope of Activity
 For ongoing regrant projects, describe the number of requests received, on average, for each of the past
 two years. Include the average request amount and grant amount. If this is a new request or service,
 project the number of anticipated requests and the range of grant amounts to be awarded.
- 4R. REGRANTS AND PARTNERSHIPS MANAGERIAL/FISCAL Staffing Identify who in the organization is responsible for the administration of this project. Describe their role, detailing their duties and noting whether this is a full or part-time position. If the coordinator has other responsibilities within the organization, describe them here.
- 5R. REGRANTS AND PARTNERSHIPS MANAGERIAL/FISCAL Work Plan
 Detail the key tasks and time line for successful completion of the next grant cycle. Bullets or outline format are welcome.
- 6R. REGRANTS AND PARTNERSHIPS MANAGERIAL/FISCAL Finances
 Discuss the total amount of funding requests the regrant has been receiving, and the program's ability to meet those needs within the field.
- 7R. REGRANTS AND PARTNERSHIPS SERVICE TO THE PUBLIC Constituency Describe the audiences and communities served.
- 8R. REGRANTS AND PARTNERSHIPS SERVICE TO THE PUBLIC -Marketing/Outreach What are the strategies for outreach and marketing, particularly to reach those not currently served by the program?

- 9R. REGRANTS AND PARTNERSHIPS SERVICE TO THE PUBLIC Selection Process
 Describe the application and selection process, noting what is required of applicants, restrictions, and the panel review. Describe the composition of the panel and the review process.
- 10R. REGRANTS AND PARTNERSHIPS SERVICE TO THE PUBLIC Evaluation

 How is the effectiveness of this program evaluated and assessed? Has evaluation led to change in the
 program? Describe the benefits of this regrant or partnership to the community and general public.
- 11R. REGRANTS AND PARTNERSHIPS SERVICE TO THE PUBLIC Community Context Identify any other organizations in the area that provide similar arts and cultural regrant support, and tell us how their activities support, enhance, or differ from those of this organization.
- 12R. REGRANTS AND PARTNERSHIPS Support Materials

 Please submit the required support materials as detailed in the guidelines and list them here.

Support Materials

All support materials below are uploaded to the Pre-Submission Upload menu in the Grants Gateway.

STANDARD SUPPORT MATERIALS – All Applicants: ALL FACILITIES APPLICANTS must submit the support materials below:

- 1. <u>ALL APPLICANTS NYSCA FY2019 Project Budget</u>: Please download this project budget form, complete and upload here.
- 2. <u>ALL APPLICANTS Site Control Documents</u>: copies of the deed or lease for the property which is a part of this request.

CAPITAL PROJECTS: All applicants to CAPITAL PROJECTS must submit the following support materials.

- <u>CAPITAL PROJECTS</u> One set of documents sufficiently detailed for bidding, permitting, and
 construction. These materials must be prepared by New York State licensed architects or engineers and
 shall be the basis for all contractor bids submitted with the application. Roofing, HVAC, boilers and
 wheelchair lift projects may also require review by an architect or engineer. At minimum such projects must
 submit work scopes, drawings and technical specifications for adequate panel review.
- 2. <u>CAPITAL PROJECTS</u> At least two comparable contractors' written estimates based on the construction documents.
- 3. <u>CAPITAL PROJECTS</u> Contractor's estimate summary form. <u>Download the form here</u>.
- 4. <u>CAPITAL PROJECTS</u> Useful Life Documentation. Letter from an architect, engineer, or contractor stating the useful life of the proposed capital project.
- 5. <u>CAPITAL PROJECTS</u> Up to 20 images or website reference of the facility and area which is part of this request, and up to 5 images of the consultant's work with descriptive text, for a maximum of 25 images.

Vendor Responsibility

State procurement laws require that state contracting entities award contracts only to responsible vendors. Additionally, the State Comptroller must be satisfied that the submitting business entity is responsible before approving a contract award under Section 112 of the State Finance Law. Section 163 (9)(f) of the SFL requires that prior to making an award of a contract, each contracting entity shall make a determination of responsibility of the proposed contractor.

As a result, once a state contracting entity, in accordance with the applicable procurement statute, has determined which business entity(ies) should be awarded a contract, the contracting entity must affirmatively determine that such business entity(ies) is responsible before it can award the contract to such business entity(ies) and execute any contract(s). Furthermore, the State Comptroller will not approve a contract unless he or she concurs that the business entity is responsible.

NYSCA fully reviews any and all information available which includes but is not limited to on-line presence, public records, past performance of State contracts, responsiveness, and any other information we, as the contractor may request in order to make a responsibility determination. NYSCA expects an applicant [vendor] to disclose any information or documentation relevant to the scope of the review, the contract and disclose this on the Vendor Responsibility Questionnaire as necessary.

Whether a business entity is "responsible" is a question of fact to be determined on a case-by-case basis. Based upon existing legal precedents, responsibility determinations can and should involve a review of the following four major categories:

- Does the business entity possess the integrity to perform the contract? Factors to be considered include criminal indictments, criminal convictions, civil fines and injunctions imposed by government entities, anti-trust investigations, ethical violations, tax delinquencies, debarment or suspension by a government entity, prior determinations of integrity-related non-responsibility, etc.
- 2. Has the business entity performed at acceptable levels on other government contracts? Factors to be considered include reports of less than satisfactory performance, early contract termination for cause, contract abandonment, court determinations of breach of contract, etc.
- 3. Is the business entity legally capable of performing the contract? Factors to be considered include authority to do business in New York State, licensing (e.g.

- with the Education Department or Department of State), debarment by the State Labor Department due to a prevailing wage violation, etc.
- 4. Is the business entity financially and organizationally capable of performing the contract? Factors to be considered include assets, liabilities, recent bankruptcies, equipment, facilities, personnel resources and expertise, availability in consideration of other business commitments, existence of appropriate accounting and auditing procedures for control of property and funds, etc.

Updating and certifying the online questionnaire

An online questionnaire is considered "current" if it has been certified within six months of the agency-defined due date for the questionnaire. However, even where there is a current certified online questionnaire, it is the vendor's responsibility to ensure that the questionnaire reflects any material changes that have occurred since it last certified the questionnaire.

NYSCA (or the State Comptroller's Office) may require updates at other times, such as when information has become known about a vendor that raises a concern.

To update or enroll in the New York State VendRep System, see the VendRep System Instructions available at http://www.osc.state.ny.us/vendrep/index.htm
